2.1.3 SUPERVISORY BOARD AND COMMITTEES

At year-end, the Supervisory Board consists of six members and, as per the date of this report, of seven members. The Supervisory Board supervises the Company policies, the management of the Company and its businesses, the effectiveness and integrity of the internal risk management and control systems and procedures implemented by the Management Board, as well as the general conduct of affairs of the Company and its businesses. The Supervisory Board also supervises how the Management Board determines its position on the sustainable long-term value-creation strategy and how the Management Board implements that strategy, taking into account the effect on people and the environment. The Supervisory Board advises the Management Board and regularly discusses Company strategy, the implementation of the strategy and the risks associated with it. In the performance of its duties, the Supervisory Board is guided by the interests of the Company and its business as well as the Company's relevant stakeholders. In addition, certain (material) decisions of the Management Board, as stipulated in the Dutch Civil Code, articles of association or the Management Board and Supervisory Board rules, require the Supervisory Board's prior approval.

The Supervisory Board has three subcommittees: the Audit Committee, the Appointment and Remuneration Committee and the Technical and Commercial Committee. The Appointment and Remuneration Committee is a joint committee with two separate chairs and tasks: i) the selection and appointment preparation of Management Board and Supervisory Board members and ii) the preparation of decision-making regarding remuneration matters. The task of each subcommittee is to assist and advise the Supervisory Board in fulfilling its responsibilities. In case of nominations, the competencies and background of members already in function, as well as the Supervisory Board Diversity and Inclusion policy and Supervisory Board Profile will be taken into account. The guiding principle is that the Supervisory Board is composed in such a way as to

ensure an appropriate degree of diversity with regard to, among others, gender, expertise, experience, competencies and (cultural) background, in line with best practice provision 2.1.4 and 2.1.5 of the Corporate Governance Code. Further information about the appointment and dismissal of Supervisory Board members can be found in SBM Offshore's articles of association. The Supervisory Board has drawn up a retirement schedule for its members, which is available on the Company's website ([who-we-are/corporate-governance](#)).

Supervisory Board members shall inform the Supervisory Board before accepting positions outside the Company. Positions may not be accepted without the Supervisory Board's prior approval.
