1 Annual change in percentage is calculated comparative to the amount of the current year.

2 2018 – 2020 impacted by transition from RP15 (delayed LTI vesting) to RP18 (immediate VCS vesting and a holding period).

3 COO and Management Board member until April 12, 2024. CEO and Management Board member from that date.

4 CEO and Management Board member until April 12, 2024.

5 Underlying EBITDA reflects the following adjustments: i. impact of the sale of Liza Destiny earlier than planned; ii. implementation costs of an optimization plan related to the Company's support functions; and iii. impact of the delay in commencement of a charter by a client notwithstanding the on-target delivery of the vessel by the Company.

6 Underlying EBITDA restated for: DNY/PTY sale in 2024.

7 Total recordable injury frequency rate trends are positive when downwards.

8 The average employee expenses of the company are based on the IFRS expenses including share based payments. The average employee expenses are influenced by both the composition of the population both in function as well as geographical location and the related foreign currency impacts. This calculation has a different basis than the pay-ratio calculation in accordance with the Dutch corporate governance code.
